

TRINITY TRIBUNE

FROM THE PRINCIPAL

Reports, Parent Teacher Interviews and Term 3 upcoming events

information than the end of Semester report, it will give you an indicator of how your students are progressing in classes earlier than the end of the Semester.

Two other upcoming events in Term 3:

1. Our induction of parent and community volunteers. If you completed the volunteer form, we will be arranging a formal induction in the processes and procedures you need to be aware of to be volunteering at Trinity.
2. Our Coffee course, commencing in August, for parents, community members and students in years 9-12. Places are filling fast.

If you missed these forms (as opportunities to be more involved), please email jennib@trinitygladstone.qld.edu.au.

We do pray that you have a safe and restful three week break. Our teaching staff will be using the third week of this period for an intensive professional development program, to ensure they continue to develop and are equipped for their work at Trinity College.

Stephen Babbage.

WEEK FIVE

BOOKWEEK
19th - 23rd August

WEEK SIX

CQ UNIVERSITY OPEN DAY
29th August

WEEK SEVEN

YEAR 12 QCS TESTS
3rd - 4th September

YEAR 9 & 10 OUTDOOR EDUCATION

The Year 9 and 10 Outdoor Education students hiked up Mount Larcom. We had a fantastic day with nice cool conditions, and all of us felt a real sense of achievement when we reached the very windy top! Great team work and perseverance was shown by all.

Year 7 Visual Art

During Term 2 students remembered that all the good gifts we enjoy are given to us from God above by creating still life artworks. Students experimented with using Aboriginal painting techniques. They are to be congratulated for their efforts!

Year 11 and 12 Aquatic Practices

The Year 11 and 12 Aquatic Practices went on an excursion on Monday to Wild Cattle Island inlet at Tannum Sands. We canoed up the inlet, exploring Mangroves and looking at the sand dune habitat and bank erosion in the area. We even found a baby echidna!

Congratulations Hannah Lawrence

Hannah has taken out 3rd prize in the Under 16s cake decorating category at the Mount Larcom Show. At just 10-years-old this is a great achievement.

Keep up the fantastic work Hannah

SPORTS UPDATE

Karate Kids - Trinity has it's very own Black Belt

Hayley Smyth, Bailey MacDonald, Luke Marwick and Jaylen Emerson all attended a gruelling 2 day Karate grading.

On the Saturday afternoon, they all completed the Spirit test which involves; -push ups, sit-ups, front kicks, rounds kicks, punches, shutos, round elbows and hammer fists.

Luke and Jaylen had to complete 150 of each of the above exercises. Hayley and Bailey had to complete 300 each. This was followed by the horse stance.

Luke, Jaylen and Bailey had to hold this stance for 25 minutes and Hayley had to hold it for 45 minutes.

Sunday involved belt level calisthenics (pushups, sit-ups and squats). These amazing young athletes were then tested on stances, footwork, strikes and punches, kicks, belt level kihons, kata and finished off with sparring.

They all worked extremely hard and all earned their new belts.

Luke Marwick - Yellow belt
Jaylen Emerson - Green Belt
Bailey McDonald - Teenage Green belt

Hayley Smyth - Teenage Black belt
Congratulations Hayley, Bailey, Jaylen and Luke on your successful gradings and to your coach and mentor, Mick Smyth.

You are all shining examples of how consistent training, dedication and passion creates results.

TEXTBOOK SCHEME: The College provides students with all required textbooks through the State Government Textbook Scheme. Non-return of textbooks: Textbooks and library books not returned by the required date will incur the full price of the replacement charged to the College fee account. Refund of replacement charges on subsequently returned textbooks and library books will not be considered unless books are returned in good condition.
