

Issue 1 | Term 3 | 2020

# TRINITY TRIBUNE

## FROM THE PRINCIPAL

### Parent Information Sessions

As you are aware, we are absolutely passionate about ensuring what we deliver at Trinity College Gladstone is in partnership with you as parents. We know that having you involved in the education of your children is one of the most effective influences on your child's success in their school years\*.

During Week 2, there are three important opportunities for you to be well informed and equipped to support your children.

1. Prep Information Afternoon
2. Year 7 Information Evening
3. Senior School Information Evening (for Year 10 students)

Please find more detailed information about these events elsewhere in the Tribune.

All three of these evenings are great opportunities to understand how we partner with you in the education of your children, the process we are undertaking to support your child in these specific areas of the school and

how we prepare your child to be ready for that stage of their learning.

Can I please encourage you to make every effort to be there if this is relevant to your child.

Additionally, if you know of anyone who is considering Trinity College for 2021 in these year groups, please encourage them to attend to hear firsthand about the quality education that we deliver.

May you have a fantastic Term 3 as we undertake schooling together in this "New Normal" stage after Coronavirus.

## FAREWELL MRS DERNEHL

It was with a great deal of sadness and tears that students and staff farewelled Mrs Kelly Dernehl on Friday. Mrs Dernehl expressed that she was feeling very blessed that she could say her goodbyes at the first Senior Chapel in four months. She will be greatly missed but we know she is stepping into God's plan for her life.

WEEK SIX

### SCIENCE WEEK

24 - 28 August

## SPORTS UPDATE

### Trinity College Netball- Vicki Wilson Cup and Shield

Welcome to Term 3 families. It is wonderful to see all of your beautiful children back at Trinity, fit and healthy and ready to embrace the second half of 2020.

I am pleased to confirm that Netball QLD have confirmed that the Vicki Wilson Cup is proceeding this year.

Traditionally, the first round of Vicki Wilson games is held regionally in Rockhampton. Trinity College fielded both a Cup (Years 10-12) and a Shield team (7-9) at Rockhampton in 2019 with both teams doing our school proud.

Netball QLD have combined the regional Cup and Shield games together with States games over the same weekend in Brisbane. Selection for the Cup and Shield games will be run on the first part of the weekend with winning teams progressing to play games against the best Netball Teams in the State.

Players will need to send nominations to Mrs Grice and trials will be held for team selection together with Coach Mrs Tania Irvin. Details are as follows:

**Coach:** Tania Irvin

**Date:** 3rd- 5th October, 2020

(last weekend of the school holidays)

This is such a wonderful opportunity for our Netball players to experience State Level Netball in our Capital City and I look forward to receiving your girl's nominations by the 7th August.

## SENIOR CHAPEL

We were overjoyed at having Senior Chapel on Friday and congratulating our students on many of their great achievements over the last two terms. Our SUN students received certificates for their outstanding efforts achieved for their University subjects.

Congratulations to Kyron Kirkpatrick who has received an invitation to join the State Honours Music Ensemble. Dr Chengere acknowledged our UQ Science Ambassadors who will be running our 2020 Science Week activities in Week 6.

Our senior school representatives received packs from the Gladstone Regional Council acknowledging their efforts within the community which would have been celebrated at the Mayor's Breakfast in April if it had been able to go ahead.

**BYG HOUSE**
