# TRINITY TRIBUNE

## FROM THE HEAD OF PRIMARY

Well here we are, almost at the end of the school year, and we're still busy with activities! This week, in the Primary classes, we have been visited by Harold the Giraffe and Miss Ellen from Life Ed. From Kindy to Year 6, students have learned about relating well with each other, being safe at home and at school, the importance of eating healthily and exercising, maintaining good friendships and safety when online. These lessons were fun and interactive and Harold was always a feature. Next week, on Thursday, the Prep to Year 3's will have a Swimming Celebration. This will be a fun morning where students get to show their teachers their new skills in the water. I'm looking

forward to visiting during this time and seeing the students in action. Unfortunately, due to the pool's regulations, this is a student only activity. Next Friday we have our Primary Transition Day. All students from Kindy to Year 7 in 2021, will experience a day in that class. Teachers work hard to organise a fun day of activities and when the day is over, students go home looking forward to the coming year. It's a great day! Enjoy these last couple of weeks as I will. I leave you with one of my favourite verses: Psalm 136:26 Give thanks to the God of Heaven. His love endures forever.

Karen Ferris

## YEAR 11 BIOLOGY

Year 11 Biologists spent the day exploring Tannum Sands dunes and rocky shores, using their ecology skills to collect data, identify and compare the ecosystems observed. It was a pleasure to see the teamwork, resilience and sense of adventure these students bring with them. A member of the public commented on "What a fantastic bunch of students". This is a true tribute to the quality we have in our seniors at Trinity.

## UPCOMING EVENTS

### WEEK NINE

**PREP - YEAR 3 SWIMMING CELEBRATION**  
Thursday, 3 December

**PREP - YEAR 8 TRANSITION DAY**  
Friday, 4 December

Wednesday, 9 December

### 2021

**TRINITY COLLEGE ADMINISTRATION**  
Reopens:  
Monday, 11 January

**PLEASE RETURN ALL**

**LIBRARY BOOKS**

**BEFORE THE END OF**

**THE SEMESTER. THANK YOU.**

## YEAR SIX

This term Year Six have been investigating reversible and irreversible changes. The students have really enjoyed the chance to investigate different materials and make predictions on whether they will be reversible.

## SPORTS UPDATE

In week 7, year 7 student Anupam Peetha represented the 10-12 Capricornia Cricket team in Toowoomba. Anupam was chosen from the Port Curtis district for his outstanding fast bowling. Anupam said that while the

Capricornia region finished in 9th place from 12 teams it was a fantastic opportunity to play against the best cricket players in the state and represent both Central Queensland and Trinity College.

After asking what his favourite part of the trip was he stated that it was the team dinner.

While Anupam was away he was also presented the Year 7 HPE award at the Trinity College Secondary awards night, this was collected by his brother, Nirupam.

Congratulations Anupam on all your hard work.

Tarquam Robinson  
Head of HPE

## YEAR 12 FORMAL
