TRINITY TRIBUNE

FROM THE PRINCIPAL

It has been delightful to see our students come back to Trinity for Term 3, including welcoming some new faces to the Trinity community. It has been hard to break some sad news to them this week.

It has also been a very busy week as the first week of term resumed.

Year 10 were on work experience all week – we hope that they have found their work placement a valuable experience in considering career options and leading into subject selection for year 11 and 12.

Year 7 also were at school for a reduced number of days, as they headed to Yeppoon for Year 7 camp on Wednesday to Friday. By all reports they had a fantastic time.

We took the time to discuss with students in Year 7 and 8 the importance of looking after their MacBooks both physically, and with what they are using them for. We took the time to explain that the devices are leased, and they are responsible to look after them and be even more careful with them than with a mobile phone. Some of our students were treating their laptops with less care than they need to, with the result that these important devices for learning were being damaged.

RACQ came to the school to talk to Year 11 and 12 about responsible decision making involved around driving and being a passenger. It was sobering stimulus and conversation.

On Tuesday (13-19 year old) and Friday (10 to 12 year old) students selected from our Athletics Carnival represented Trinity College proudly at the Port Curtis Athletics Carnivals.

We are grateful to be back at school in person and think of our relatives and friends in other states and elsewhere who are not so fortunate at this time. We have not wasted any time diving into Term 3's learning opportunities and it has been a very promising start to the term.

FISHING

Big thanks to Parents In Partnership for donating two new reels for the Aquatic Practices fishing program. Students are currently building their own rods and studying aspects of local fishing. The reels were tested out this week at the marina and one of the new reels caught the first fish – a respectable bream. Thanks again to the PIP team.

PORT TO PARK FunD Run

REGISTER NOW TO RAISE FUNDS FOR YOUR SCHOOL!

Sunday, 15 August 2021

Our school's favourite fun run is back for 2021 and with a new name and course!

Gladstone Ports Corporation's (GPC) new-look Port to Park FunD Run can help us raise important funds for our school community and we'd love as many of our students and families to participate on Sunday, 15 August.

This year, two new courses will wind through GPC's beautiful waterfront parklands of East Shores, Marina Parklands and Spinnaker Park.

So get your runners ready and start limbering up so we can raise some vital funds for Trinity College.

You can register here at
