

Weeks 5 & 6 | Term 2 | 2022

TRINITY TRIBUNE

FROM THE BUSINESS MANAGER

While our teachers have been diligently delivering curriculum, our support staff have been putting in tireless efforts to assist our teachers to enrich the lives of the students and our bus team navigate the excursions and before and after school service; the Operations team

have been working behind the scenes to bring to fruition some new initiatives and upgrades for the College community.

- The Copernicus Laboratory is nearly at occupancy stage, and we look forward to using this custom designed area soon. Combined with this, we are reconfiguring the internal use of

space in the Da Vinci Laboratory, by switching out the furniture to make the room more engaging and collaborative as we customise facilities to get the best pedagogy happening in these areas.

- There has been some retaining work in the Basin to manage the water flow areas and when we take delivery, we will be installing

some new modules to the playground to enhance the play experience for the students who use this area.

- The Kindy and Prep play area has seen the installation of a riverbed and hand pump, which is now being enjoyed by the students. Feedback around this project has been incredibly positive.

- The oval has seen the addition of covered grandstand seating. Once the groundwork has been finished, this will be available for students during lunch break and classes.

We do need to address the issue of the carpark potholes that continue to develop as a result of the wet season we are experiencing and thank you for the care you take while onsite as we work on procuring the services of a company to rectify the issue and look forward to some dry weather to be able to fix the issues.

As a College, we are thankful to God for his provisions to us and we thank you for your partnership with us.

Danielle Ellis

SPORTS AEROBICS

On Saturday 21 May, 16 girls from Year 3-6 represented Trinity at a Gladstone Sport Aerobics competition.

The Year 3-4 team came second and the Year 5-6 team came third in their age categories.

Well done girls!

FELICITY WEBB - GYMNASTICS

Felicity won gold in the Australian Open Age individual level 8, running first in Bars, second in Beam, Vault, Floor also helping Queensland win the National competition with Victoria runner up.

This is the first time in Gladstone Gymnastics history (1977-2022) that an individual has won an Australian Title. Congratulations Felicity!

CONNOR & HARVEY BISHOP

Congratulations to Connor Bishop in Year 4 and Harvey Bishop in Year 2, competed at the Speech and Drama eisteddfod in Rockhampton last week representing Hatched Theatre.

Connor received three firsts and a third and received Harvey two firsts and a second. Both boys were also awarded an adjudicators.

ELLA MCINTYRE - CROSSFIT

Ella finished competing in last weekend's Torian Pro Crossfit competition.

Ella competed in 6 event work outs over three days. After many highs and lows, Ella came out with two event wins, and took out third place in Oceania!

Congratulations Ella, well done!

KEAHN TUAKURA - BASKETBALL

Huge congratulations to Keahn Tuakura for making the 2022 U16 Queensland North Boys State Basketball Team!

Leading up to his selection Keahn was selected to enter the Qld U16 State Basketball Performance Program and throughout Term 1 he has been attending Basketball Qld high-performance sessions in Rockhampton and Townsville. During the recent school holidays he also competed at the Qld State U16 Boys Championships for Gladstone Power.

From the State U16 Champions and Qld Basketball HP sessions, Keahn was selected into the last group of athletes to gain selection for Queensland. A huge achievement for him - from 360 athletes down to 34 athletes. Keahn will fly off to Australian U16 National Championships in Western Australia at the beginning of July.
