## **College Fees**

College Fees are comprised of Tuition Fees and Non-Tuition Levies. These levies contribute to costs such as incursions, excursions, swimming lessons and student accident insurance. For secondary students, the levies also contribute to the Macbook program to contribute to device hire, software and technical support. A camp levy is included for the following year groups:

Year 5	Year 6
Year 7	Year 9
Year 11	Year 12 Formal

In addition to this, the College provides *optional* access to clubs and after school activities. While some of these activities are at no-cost, some of the activities are charged separately e.g. Music Tutoring, Academic Competitions. The fees include planned activities but occasionally an unplanned opportunity may exist. Parents will be notified of these opportunities as they arise and invoiced separately as appropriate. We attempt to keep non-tuition levies 'inclusive', to allow for better budgeting and planning.

## **Notification of Departure**

One term's notice must be given in writing to the College prior to the removal of a student from the College. If the required notice is not received, a fee of \$250 will be invoiced

## **Payment**

The College fee structure relies on the prompt payment of fees. The fees are invoiced in full prior to the commencement of Term 1.

Our payment options are flexible and can be nominated on a weekly, fortnightly, monthly or term basis.

We accept payments by Bpay, Direct Debit, Credit Card, Cash and EFTPOS;

Notification of Fee Payments are made by completing the attached forms. The plan must be agreed to prior to the commencement of the school year.

## **Financial Rebates**

The College provides relief to families through the Income Assessed Rebate Application process. We offer a tiered rebate system to ensure there is an equitable approach to the rebates offered. All families are eligible to apply for a rebate on Tuition Fees. Applications will be assessed based on thresholds set by the College Board.

Short Term Concessions will be considered upon application by the Principal and Business Manager where a demonstrated need exists due to financial circumstances.

Please contact the Administration team for a Rebate Application. Appropriate evidence must be provided along with the rebate application form.
